Phi Theta Kappa Recognizes 228 Colleges for Exemplary Transfer Pathways

FOR IMMEDIATE RELEASE

6/10/2024

JACKSON, MISSISSIPPI

Phi Theta Kappa Honor Society (PTK) has named 228 colleges and universities to its 2024 Transfer Honor Roll in recognition of the dynamic pathways they have created to support transfer students.

The [Transfer Honor Roll](#) is determined by 40 key metrics related to the support and success of transfer students, including college cost and financial aid, campus life for transfer, admission practices, and bachelor's degree completion. The Transfer Honor Roll was based on analysis from the National Student Clearinghouse, and on data submitted through the four-year institution's profile on [PTK Connect](#), Phi Theta Kappa's online tool designed to help students find their best-fit colleges and career pathways.

Colleges completing the PTK Connect profile are given a Transfer Friendliness Rating. The Honor Roll is chosen from among the top 25 percent highest-rated colleges.

The Transfer Honor Roll recognizes the importance of creating strong transfer pathways that lead to excellence and success among community college transfer students, and this year's winners had exceptional outcomes, and several of these included:

- Average percent of transfer in undergraduate population - **37%**
- Average bachelor's degree completion rate among transfers - **77%**
- Average credit transferred toward a degree major and/or plan - **82%**
- Average percent of transfer students receiving merit-based financial aid - **67%**

"The goal of most students attending community college is earning a bachelor's degree, but few do because of financial barriers and the complexity of the transfer process," says Dr. Lynn Tincher-Ladner, President and CEO of Phi Theta Kappa. "We are proud to recognize the exceptional colleges and universities that go above and beyond to create accessible pathways to bachelor's degree completion for community college transfer students."
