

Leisure Rental Guidelines

The team at National and Enterprise is excited by the opportunity of providing car rental services to **Phi Theta Kappa Honor Society**. As part of our agreement, you can benefit from special rates for leisure and personal rentals.

Get the Rate

For leisure and personal travel, reference **Account Number L55W348**, which is specifically assigned to your company, to receive the special negotiated rates. Your profile information will automatically be loaded for the rental.

When making reservations for leisure travel, be sure to give the reservation agent your personal method of payment. For online reservations, add an alternate method of payment in your Emerald Club profile and choose it as your method of payment for the leisure rental.

While Damage Waiver and Liability coverages may be applicable to your business travel program, personal and leisure travel does not include those coverages.

Get Going Faster

Enroll in National's loyalty program, **Emerald Club**, for more choices and recognition while renting across our worldwide network — and earn rewards too.

Earn free day credits at either brand, and then redeem earned credits at National brand locations.

Get the Benefits

Emerald Club is also recognized at Enterprise brand locations. Membership allows Enterprise travelers to create personal profiles — including payment information — which further expedites the reservation process for repeat renters. Be sure to reference your Emerald Club number and Account Number at both National and Enterprise.
